

Remarks

Applicants request entry of the amendments to the Specification in order to comply with the objection under the Sequence Rules, as raised in the pending Office Action. Specifically, Applicants have amended the Specification to insert a sequence identifier after designated sequences in the Specification. Applicants assert no new matter is added by these amendments.

Respectfully submitted,

Thomas D. Webster, PhD
Attorney for Applicants
Registration No. 39,872
Phone: 317-276-3334
